## User-Story morning Review Tesla

### USER FLOW

[tesla.com](https://tesla.com) —> Model X—> Order Now —> Long Range —> Paint —> Wheels —> Interior —> Continue To Payment —> Order with Card —> Place Order

### USER STORY

1. As a busy professional I want to have a quick checkout while having a clear picture of what I ordered so that I can save time.

Feature: Easy one page application and easy checkout.

2. As a dyslexic person, I want to have a visual experience and not wordy website so that I can understand what I am ordering and not struggle while purchasing.

Feature: Visually pleasant and not verbose design
